

Material Safety Data Sheet for DynaCrete® PIM+ Type S

Product: DynaCrete® PIM+ Type S **Revised:** January 01, 2021

Last Updated: October 2025

Emergency Telephones

Vancouver, B.C., Canada: 1-866-751-7746

Product Identification

DynaCrete® PIM+ Type S

Hazard Rating

Rating Scale: 4 - Extreme, 3 - High, 2 - Moderate, 1 - Slight, 0 - Insignificant

Category	Rating
Fire	0
Health	1
Reactivity	0
Special Hazard	0

Chemical Identity Information

Proprietary mixture containing no hazardous ingredients.

Physical Data

Property	Value
Appearance	Clear Liquid
Odor	None
Boiling Point	100 degrees C.
Specific Gravity	1.094
Solubility in Water	Complete
pH (1% solution)	8.96

Fire and Explosion Data

Property	Value
Flash Point (Test Method)	Does not flash
Unusual Fire & Explosion Hazard	None
Flammability or Explosive Limits	Not Applicable
Special Firefighting Procedures	None
Extinguishing Media	Not Applicable

Reactivity

Property	Value
Stability	Stable
Conditions to Avoid	None
Incompatible Materials	Do not mix with other chemicals
Hazardous Polymerisation	Will not Occur
Hazardous Decomposition Products	None Known

Health Hazard Data

VOC content: none. Contains no hazardous materials as defined by OSHA and ACGIH

Eyes

May cause irritation and redness. Flush with cool, clean water for at least 15 minutes. If irritation persists get medical attention.

Skin

May cause redness. Flush with water and follow instructions above.

Ingestion

Non-toxic, may cause gastro-intestinal irritation. Do not induce vomiting. Dilute with large amounts of water and weak vinegar or orange juice. Get medical attention as soon as possible.

Protection information

Rubber gloves and goggles recommended. Respiratory protection not required. Good ventilation recommended.

Spill or leak procedures

Use absorbent material, sawdust or sand. For large spills dilute with water before flushing to sewer or drain according to local, provincial or federal regulations.
